Interventions

A list of interventions to address these targets. For each include:

- A description of the intervention, type of policy process, legislative change, programmes or projects.
- The rationale behind this intervention
- Roles and tasks of implementing actors at each stage of the intervention (including the relationship and coordination between them)
- Timeframe
- Expected outcomes and outputs
- Any supporting activities, such as training, capacity-building or advocacy
- Resources required for the intervention and description of funding arrangements
- How monitoring and evaluation will take place (This will be informed by indicators and monitoring and reporting mechanisms as established in Monitoring and Reporting.)

Note: Where interim targets have been set, timeframes of activities and expected results must reflect how to achieve them.
